

Milton D. Frog, here, for Parma Hobby.

In March, we're all Irish – even me!

My lilypad becomes a four-leaf clover and I lounge on it in my green leprechaun disguise! As you can see, green is always a great color!

Have some corned beef and cabbage – I add a few flies to mine to “spice it up”!

Winter Classes are moving right along. There is still some room in a few classes if you haven't already signed up. Check out the Calendar of Events on our website, [www.parmahobby.com](http://www.parmahobby.com) and see what you might be interested in. Remember, you can sign up in person, on the telephone and on line!

"May the road rise to meet you,  
May the wind be always at your back,  
May the sun shine warm upon your face,  
The rains fall soft upon your fields,  
And until we meet again,  
May God hold you  
In the palm of his hand."
